

**Series 80
"Mighty Mouse"
Connectors and Cables**

Glenair "Mighty Mouse" Connectors and cables offer superior environmental performance in an ultraminiature package. Products include miniaturized threaded, quick disconnect and bayonet connectors.

**Sav-Con®
Connector savers**

Glenair's makes a connector saver for every Military Standard circular connector. The low-profile go-betweens are designed to prevent damage to deliverable connectors and extend the life of test cables and harnesses.

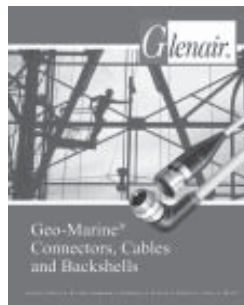

**Micro-D TwistPin
Connectors and
Accessories**

Glenair offers both Military Standard 83513 Micro-D connectors as well as COTS selections, backshells, mounting hardware and more. Our unique TwistPin contact system offers superior performance.

**Geo-Marine®
Interconnect Solutions**

Our Geo-Marine® product line includes corrosion-free composite junction boxes, harsh environment connectors and cables, Ex Barrier Glands, underwater interconnect assemblies and hydraulic earth bond equipment.

**Backshell Assembly
Tools, Banding Tools and
Accessories**

Most interconnect tool suppliers are selling somebody else's ideas, but as you will discover in this catalog, Glenair builds its assembly tools from the ground up. 64 information-packed pages.

Glenair: *A Word of Interconnect Solutions*

Glenair has been the leading manufacturer and supplier of commercial and Military Standard connector accessories since 1956. Building on that foundation, we now offer a dozen, full-spectrum product lines designed to meet every interconnect requirement.

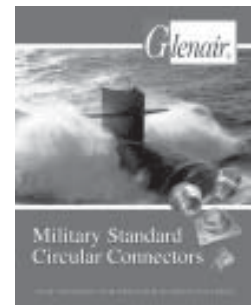

**Fiber Optic
Interconnect Solutions**

Glenair's tactical fiber optic connectors and cables are used in military aerospace applications such as fighter jets and unmanned aerial vehicles. Products include Mil-Dtl-38999 connectors, termini and inspection and test toolkits.

**Military Standard
Circular Connectors**

Military Standard Circular Connectors from Glenair now include hermetic, environmental and filter versions of MIL-C-26482, MIL-C-28840, MIL-DTL-5015, and Mil-DTL-38999 Series I, II, III and IV—many in stock and ready for shipment.
