

GLENAIR  
SIGNATURE  
FIBER OPTIC  
CONNECTION  
SYSTEMS

**Fiber Optic  
Junction Boxes:**  
complete design  
and manufacturing  
capability for rugged  
metal and lightweight  
composite solutions

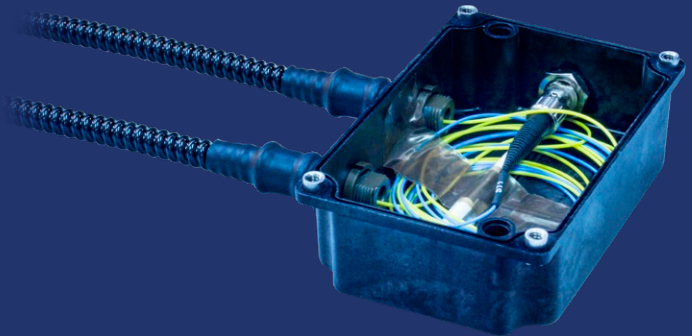

Fiber optic multibranch assembly with flexible conduit wire protection and integrated cable storage bay

High-speed video fiber optic switch and cable junction box assembly

Hybrid fiber optic / electrical cable junction box with MIL-DTL-38999 Series III type connector interfaces

Weight-saving composite junction box with integrated fiber media service loop

Glenair manufactures and supplies fiber optic junction boxes incorporating backshells, fiber media protection conduit, and electrical and optical connectors in both catalog and Mil-Spec variants. The offering includes turnkey fiber media routing and termination with Glenair signature connectors and termini, supporting high-speed communication system integration for both fiber optic and hybrid optical/electrical architectures.
