

For high-voltage DC utility applications Selection Guide

GHV-001

kV Seal Size #12 contacts

GHV-001 kV Seal Size #12 13.5 kV contacts for Glenair SuperNine and D38999 Series I, III, and IV connectors
page 4

GHV-002

kV Seal Plus Size #12 contacts

GHV-002 kV Seal Plus Size #12 15 kV contacts for Glenair SuperNine and D38999 Series I, III, and IV connectors
page 5

GHV-003

kV Seal Size #12 contacts

GHV-003 kV Seal Size #12 13.5 kV contacts for Glenair Mighty Mouse and Series 79, and D38999 Series II connectors
page 6

GHV-004

kV Seal Size #8 contacts

GHV-004 kV Seal Size #8 22 kV contacts for Size #8 cavities in SuperNine, Mighty Mouse Series 801, 802, 805, and Series 79 rectangular connectors
page 7

CONNECTOR COMPATIBILITY AND APPLICATION SHOWCASE

- SuperNine and D38999 Series I, II, III, and IV
- Mighty Mouse Series 801, 802, and 805
- Series 79 Micro-Crimp

kV Seal high-voltage contacts in-use in Glenair SuperNine D38999 Series III type connectors (left) and Series 79 rectangulars (right)
