

LOW-TEMPERATURE TOLERANT ThermaRex Cryogenic 806 Mil-Aero Connectors Micro-miniature with D38999-caliber performance

SERIES 806 MIL-AERO SQUARE FLANGE PCB STANDOFF RECEPTACLE

How To Order ThermaRex Series 806 Mil-Aero Square Flange Receptacle							
SAMPLE PART NUMBER	806-086	ME	11-19	S	1	T	A
Series / Basic Part No.	806-086 Cryogenic ThermaRex Series 806 square flange PCB standoff receptacle						
Material/Finish	ME = Aluminum alloy, electroless nickel (96-hour salt spray) Z1 = Stainless steel, passivate						
Shell Size/Insert Arr.	Per 806-015, See tables						
Contact Type	P = Pin E = Solder cup, pin S = Socket F = Solder cup, SKT						
PC Tail Length	1 = .125±.025 Solder Cup = Omit						
Panel Mounting Hole Style	T = Thru hole C = Clinch nuts for rear panel mounting, 4-40, M45938/6-4C						
Polarization Keyway Code	A, B, C, D, E, F
